Sponsorship Opportunity

For the Annual Convention we were able to keep our costs low and pass that along to you, although we still need your help to ensure a successful Welcome Reception.

We would also like to offer some big prizes at both of the Golf Tournaments.

For those companies that are able to sponsor an event we will have a prominent listing of our sponsors on future mailings, at the Welcome Reception and, as always, they will be listed for a year in the PNWGFA Annual Directory.

Thank You for whatever you are able to give!
