

NOTICE TO PNWGFA MEMBERS & INDUSTRY FRIENDS

We are sorry to announce the 40th Annual Country Elevator Council meeting, originally scheduled for April 29 - May 1, has been cancelled due to COVID-19 concerns and CDC guidance. Opening CEC registration was delayed so that next steps could be determined.

We are currently seeking potential dates in October or November to host our 2nd Annual Safety Seminar as well as a FGIS-sponsored Grain Grading Seminar (originally scheduled with CEC). PNWGFA will keep our members and industry partners apprised of future events and dates as they become available.

***At this time, the 103rd Annual Convention & Golf Tournaments is still scheduled. We will advise of any changes in the coming weeks and will refrain from opening registration for the time being.**

We look forward to seeing you all again once this health crisis abates and business operations return to normal. Please contact me with any questions or concerns.
