Thank you sponsors!

Thank you for joining us - we hope you have a great time!

Due to the number of registrants this year (43!), we are again splitting the activities so everyone could enjoy an activity at the same time. Please choose between Chocolate Truffle Making or Candle Making prior to your arrival at 10:30 am. Activity rooms will be in the Conference Center Area. Mimosas will be available in each room. Following the event, we'll head across the street for lunch and libations at Titos Italian Grill!
